move it sweetie
get on the bike path
stop texting
No light no sense
I saw the
we can't read your mind
why are you wearing all black?
world's worst
no helmet
you're going the wrong way
bicyclists
that stop sign is for you
on nantucket
why are you wearing headphones?
move your SEat
move it sweetie
higher
do you know how to signal?
you can use your hands to signal
at least you go faster than most of the cars
