don't take three spots
they let 12 people live in a one
bedroom apartment
they take up all the
disabled spots
but don't get
tickets
there's no guest parking
I found A
parking space
on nAntucket
2 hour
didn't
even
put chalk
on my
tires
don't leave your car at
Stop and Shop
worst parallel
parking on
earth
no one would
believe me
chalk
your car isn't as big as you think it is
